

# ANDERSEN

The Andersen brings you true European design simplicity. The slim line end panels create a classy border to the large drawer fronts. You can choose from any cabinet colour shown on the inside back cover for the drawer fronts. The end panels can be either gloss, satin white or satin black which frame up the cabinet with elegance. Choose either the sleek Pond Corian® top or use one of our stunning basins. Once you have chosen your basin pick a top colour from the Caesarstone or SilkSurface colours. Simply stunning!

# MILAN

The Italian city of Milan is world renown for outstanding, cutting-edge design. As you drive through the cobbled streets of the city you are continuously surprised by boutique style houses on almost every bustling street corner. This Milan vanity brings you true Italian styling. Its sleek lines and striking geometry live up to its name. The floating top is manufactured from a durable laminate finish and is supported by engineered steel brackets. It is complimented by the undermounted storage cabinet which includes a deep, push-to-open drawer. Beautiful!

Please Note: Tops not available in painted finishes. Standard woodgrain finishes available in Matt laminate only on floating top. Storage cabinet available in all colours.
